

Smile Impact Society

Smile Impact Society is an international collective of university students dedicated to furthering Smile Train's sustainable approach to cleft treatment.

The Smile Impact Society is ideal for undergraduate students who are:

- Interested in developing fundraisers to sponsor cleft treatments and energizing people to rally behind a worthy cause
- Seeking training ground to develop and practice professional skills
- Interested in forming global networks with students in the US and abroad

HOW DO I BECOME A SMILE IMPACT SOCIETY MEMBER?

Join by either creating a *collaboration* (see [example](#)) or a *chapter* (see [example](#)).

COLLABORATION

Integrate Smile Train into an existing student organization, class or volunteer effort

CHAPTER

Start a chapter with a group of likeminded friends

WHAT'S EXPECTED

With either method, the requirements are the same.

- Raise \$1,000. That's many children's lives who will be changed forever!
- Produce 2 events each year. Might we suggest a World Smile Day® party!
- Donate your Social Media. Spread your reason for caring with your digital community!

Keep in mind you will have many resources at your fingertips – a campus full of possibilities, a helpful Smile Train representative and the freedom to plan using your unique style.

WHAT ARE THE BENEFITS?

Be Global

Connect with members of the Smile Impact Society from around the world.

Be Professional

Sharpen professional skills and gain experience in areas such as program development, awareness raising, fundraising, marketing, event planning, PR, community building, corporate partnerships, people-organizing, social media, and more!

Be Rewarded

Receive a letter of reference reflecting your work for a global charity upon request. Members are eligible to apply for a Smile Train internship.

Be Pioneers

Relish a unique opportunity to build and direct this new program by working closely with Smile Train staff to develop long term strategies.

Be Visible

Be recognized on Smile Train's website and share your achievements on your LinkedIn profile, portfolio, or website to showcase your commitment to social impact.

Be Groundbreaking

Embrace this opportunity to be imaginative! You have the chance to create fun ways to spread awareness and raise funds.

Be Supported

Receive direct access and personalized guidance from experienced Smile Train staff who are dedicated to your success.

Be Educated

Learn about cleft from a medical, familial, psychosocial and economic standpoint and become a subject matter expert on campus.

SIGN ME UP!

If you are up for the challenge and ready to get started, schedule your introductory meeting with your personal Smile Train representative at students@smiletrain.org today! You'll receive one on one support, fundraising materials, and helpful suggestions!

Email students@smiletrain.org today!

If you are a graduate student or alumni, click here to find information about the Young Leadership Circle Jr. board (or contact ylc@smiletrain.org)
